- Please note that we are not able to operate the service at these rates for one passenger. A minimum of \$100 per day of pre-booked fares is required before the service will operate.
- The service will operate Monday to Friday excluding public holidays, and will stop at Christchurch Airport, (\$20 surcharge per stop) Christchurch schools on or near the route, Rolleston shopping centre, Burnham, Chertsey, Ashburton North Industrial Park, and other locations in Ashburton on request. EFTPOS facilities are available on board. Pre-booking is recommended to ensure pick-up and availability of seats. Text 02108385112 or visit www.midcanterburyshuttleservice.co.nz
- Travel within Christchurch, and between Rolleston or Lincoln & Christchurch is not permitted. Christchurch passengers may board the morning peak run and continue to destinations from Burnham south on the off-peak run at off-peak rates. Passengers from Burnham south may board the afternoon off-peak run and continue on to Christchurch destinations on the peak run at off-peak rates.
- Return journeys do not need to be on the same day. Home pick-up and drop-off and off-street day parking are available in Ashburton – charges may apply. Visit our website for more details. **The regular user rate is \$39 return to Christchurch from Ashburton and \$30 from Rakaia to Christchurch or Ashburton to Lincoln– minimum 3 days travel per week for the term, or a 20% discount is available if you prepay 5 trips.**
- We will stop at either Hornby Hub or the airport, normally not both. If there are no bookings for either destination the layover between runs will be in Christchurch. The timetable for afternoon services may be adjusted forward according to the needs of booked passengers.
- Rural service locations serviced on the off-peak runs include Wakanui, Lake Hood (\$10) Hinds, Lauriston (\$15) Methven, Mt Somers, Mayfield (\$20). Prices are per person one way.
- The capacity of the vehicle is 10 passengers, or 7 passengers with luggage.
